Recess & Lunch Clubs for Term 2

ShowKidz Choir	Monday Recess/B1 (Hall)	Miss Hall	<p>Open to Years 3-6 this term.</p> <p>Calling all Performers, Musical Theatre enthusiasts, Singers, Dancers and Actors! Come join ShowKidz Choir and learn new songs to sing, dance, and act in a song performance that will then be presented at a future assembly. No prior experience necessary. Just an excuse to showcase your performance skills and have fun.</p> <p>Please note: Each week practice will progress so regular weekly attendance is required in order to perform at an assembly.</p>
Bike Club	Monday & Tuesday Lunch/B2 (Bike Shed)	Mr Ormerod & Mr Kelly	<p>*Closed to new members*</p> <p>At bike club, students will learn a variety of new skills to ride more safely and with greater confidence. To join, students will need to be able to ride a bike; this is not a “learn to ride” program. Students will also have the opportunity to sign up for some excursions where we go riding around the Mount Rogers Community.</p>
STEM Club	Tuesday Recess/B1 (Echidna/Kookaburra/Owl 1/2 Room)	Miss Cooper & Miss Strain	<p>Open to all students.</p> <p>Do you love Science, Technology, Engineering and Mathematics? If you do, then STEM Club is for you! In STEM Club you will have the opportunity to identify real-world problems, ask questions to explore problems and then solve them. To be a problem solver you will be using a range of hands on activities. Some examples of the hands on experiences that you will participate in are: making a wind powered boat, designing and creating a marble maze, building a parachute to help an egg land safely or even constructing a rubber band catapult to transport a toy. Come for a trial this week to see what fun can be had at STEM Club! We can’t wait to enjoy solving problems with you all!</p> <p>Please Note: In order to get the most out of STEM Club you will need to commit to attending weekly in order to finish your challenges.</p>
Gardening Club	Tuesday Recess/B1 (Garden)	Ms Stephens & Mrs Smith	<p>Open to all students.</p> <p>Students can come and help maintain and enjoy our school gardens. Activities might include planting, weeding, harvesting and maintaining established areas around the school.</p>
Board Games Club	Wednesday Lunch/B2 (Japan/China 5/6 Room)	Miss Parkes	<p>Open to all students.</p> <p>Students can come and play board games with friends. We have games such as Battleship, Cluedo, Monopoly, Catan, Boggle and many, many more.</p> <p>Please note: There is no need to come every week, however places will be limited.</p>
Ukulele Club	Wednesday Lunch/B1 (Himalaya 5/6 Room)	Mr McGinness & Mr Bartlett	<p>Open to Years 3-6.</p> <p>Mt. Rogers have recently purchased 25 new ukuleles. Mr McGinness and Mr. Bartlett would love you to join them during break 2 in the Himalayan 5/6 room. No experience required, just an eagerness to learn.</p> <p>Please note: Each week the lesson will progress as we go so regular attendance is preferred.</p>
Green Team	Friday Lunch/B2 (Green Space)	Ms Stephens	<p>Open to Green Team and all students.</p> <p>Our weekly meeting discusses issues relating to the management of our school environment. Students volunteer to assist with the collection of food scraps, present at assembly, monitor waste and energy usage and help others use our waste stations correctly.</p>
