TERM 4 WEEK 4

FROM THE EXECUTIVE TEAM

Dear Mount Rogers families,

A word of thanks to start – the much anticipated, long-awaited Colour Run will happen tomorrow. As I am sure you can appreciate, predicting the weather is one of the trickiest things to do, and decisions made based on the weather one of the hardest things for me to do. I thank you for your understanding and support of the postponement of the Colour Run from last Friday to this Friday. The support you showed of the Colour Run pre-COVID was amazing and I want to honour that by doing all I can to ensure that tomorrow is super fun for the students (and staff!) I must personally thank Stacey Parker, mum from the P&C, who is the brain's trust and organiser of the Colour Run. Without Stacey this event would not have been possible. Stacey has given many hours in her own time to make the Colour Run happen for our students. Thank you, Stacey from me and the entire Mount Rogers community.

If you are free tomorrow and can volunteer to support Stacey, please come to the school office at 9am tomorrow morning.

Our Kindergarten 2021 Parent Information Session last Wednesday went very well. Parents were able to collect information packs and hear about all things Kindy – what needs to be packed in a school bag on a typical day, what Investigations is all about, what the very first day looks like and how important it is to label everything! The 2021 Kindy students have already begun their transition visits - this week some of them joined in on Monday Movement in the Hall and then stayed to have morning tea with us. One excited soon to be Mount Rogers Kindy student heard about Ms Stephens and our orchard, and has donated to Ms Stephens an apricot tree sapling. Isn't it wonderful that the things we do and offer students is known and celebrated in the community!

The work to create classes for 2021 is well underway now. This enormous jigsaw takes a lot of time and effort at this time of the term to ensure all is ready for Moving-Up morning. Decisions regarding class teachers and year levels are also being made at this time. I am no longer accepting any information regarding this from parents.

We are preparing for next year's classroom resources. I encourage you to support your child with the purchase of these resources, to ensure that they have all the items necessary for their learning from the first day of school in 2021.

Our virtual, online Scholastic Book Fair closes tomorrow. All online orders must be placed by tomorrow. Mrs 'Library' Lees says thank you to all who have embraced the different look Scholastic Book Fair this year. Orders will arrive at the school over the next fortnight.

On Wednesday, 18 November please support our current House Captains as they run a Silly Sock Day for the school community. COVID has left the captains with few opportunities to show their amazing leadership skills and together they asked if they could organise and run this event. Wear silly socks to school and bring a gold coin donation to support our Year 6 students to purchase a leaving gift for the school.

I can't believe that I am saying this, there are 6 weeks to go in this year that has been 2020. Remember to be kind to yourselves and each other as we race towards the last day of the school year.

Smiles as always,
Felicity Levett

MONDAY - FRIDAY

COLLECTING YOUR CHILD EARLY?

Unless it is an emergency, please telephone office staff at least 30 mins prior to the pick-up time so your child can be collected from their classroom to meet you at the office at the required time.

This will also ensure that staff coverage of the office is maintained, especially at busy times of the day.

An email or note to your child's teacher is also a great way to notify the school of an early pick-up.

This 30 mins provides office staff with adequate time to collect your child, especially when they are not in their classroom. It may also allow time for your child to finish class activities. During break times it also takes a little longer to locate children on the playground.

Parents are not permitted to collect children from the classroom – please wait at the office. This will also ensure that your child's attendance is accurately recorded.
