9 SEPTEMBER 2020

TERM 3 WEEK 8

FROM THE EXECUTIVE TEAM

Dear Mount Rogers families,

Wasn't it wonderful to welcome Spring last week - the weather over the weekend was just lovely and to see blossom trees in full bloom just makes me feel happy. It was a very special start to Spring for the Year 1/2 Wattles who also celebrated Wattle Day on 1 September. The Wattle students and staff wore green and yellow to mark the occasion.

I am pleased to announce that I have taken control of the new transportable after the last audit of the building has been completed. The classroom spaces are lovely and sunny, and ready to be full of learning. Over the next few days two of the year 1/2 classes will move in. These classes will be Year 1/2 Wattles (Mr Southwell) and Year 1/2 Banksias (Mrs Penyu and Mrs Gilles). The plan is for these classes to officially start in their new classroom next Monday, 14 September though it will likely take a few days to really get settled in.

The flow on is that the school will finally get our library back – hooray! Mrs Library Lees will be given time and support to get our Library space looking fabulous during Week 9. I cannot thank her enough for her patience and grace during this time. Hopefully children will be borrowing books to take home to enjoy over the school holidays.

The P&C met on Monday night and part of the discussion was around when we can run the Colour Run. At this stage the plan is to hold this much anticipated event during Children's Week on Friday, 30 October. I am hoping we will be able to use the oval on the other side of the junior playground so that all the students can watch each other run the course. Please keep an eye out for information regarding this early next term. It might be a good idea to purchase an inexpensive white t-shirt during the school holidays for your child to wear for the Colour Run.

Safe and legal parking behaviours of parents has been raised again through the P&C. Parking is a particular issue on Grainger Circuit and Stewart Crescent. It concerns me that there is a risk to my students when parents park in a way that makes it impossible for footpaths and crossings to be accessed. *Please take the time to do the right thing and park safely*, and if this means you need to park a little further away from the school, enjoy the short walk.

Finally, a request for your continued support - as we project into the last two weeks of the term, can I please ask you to remind your children of what it means to be respectful. Over the last week or so my executive team, classrooms teachers, LSAs and myself have found ourselves having many conversations about respectful behaviour with students, both in relation to behaviour in class and on the playground. Listening respectfully, speaking respectfully and following teacher instructions the first time and not asking 'why?' are recurring reminders. No adult in the school is going to ask a student to do anything that is unreasonable or unsafe. I know that many students are feeling tired, however being respectful needs to remain as the overarching behaviour expectation for all.

With kindness,

Felicity Levett
Principal

COLLECTING YOUR CHILD EARLY?

Unless it is an emergency, please telephone office staff at **least 30 mins prior to the pick-up time** so your child can be collected from their classroom to meet you at the office at the required time.

An email or note to your child's teacher is also a great way to notify the school of an early pick-up.

This 30 mins provides office staff with adequate time to collect your child, especially when they are not in their classroom. It may also allow time for your child to finish class activities. During break times it also takes a little longer to locate children on the playground.

Parents are not permitted to collect children from the classroom – please wait at the office. This will also ensure that your child's attendance is accurately recorded.
