13 MARCH 2019

TERM 1 WEEK 6

FROM THE EXECUTIVE TEAM

Dear Mount Rogers families,

I trust everyone enjoyed the Canberra Day long weekend and counted hot air balloons, enjoyed the beach or visited family and friends. We had a wonderful first Junior Assembly for the year on Friday, hosted by Year 1/2 Mars and Pluto. The move to separate senior and junior assemblies has gone very smoothly and I have been delighted to take more time to celebrate the achievements of students and have classroom teachers help present awards.

This Friday 15 March, staff and students will be recognising and celebrating *National Day of Action Against Bullying and Violence*. This is Australia's key anti-bullying event for schools where schools across the nation stand united against bullying and violence. The theme for 2019 is [Bullying. No Way! Take action every day](#). On Friday students will be involved in a range of activities with a 'buddy class' culminating with students joining for a picnic lunch.

Parent and carer parking behaviour continues to be a great source of concern and frustration for me. Every day I witness dangerous situations with cars double parking, blocking the road for the school bus, and children darting between cars across the carpark. The safety of your children, *my* children when they are at school, is paramount to me. Can I please remind everyone that the main school carpark road (outside the front office) is not a place to pick up children in the afternoon. Please do not double park behind cars or stop against the red curb or no parking signs, and wave to a child at the fence to run to your car. The same needs to be said for the parking behaviours occurring on Grainger Circuit near Melba Preschool. I understand that parking in and around the school is a major concern – there isn't even sufficient parking for our school staff. The construction of the second carpark off Grainger Circuit has been approved and I am awaiting a start date for this. This will alleviate some of our parking concerns but may not solve everything. *For the safety of our students, I ask everyone to park safely and appropriately at ALL times.*

Congratulations to our Year 6 students, Ava B (flute) and Cassandra B (saxophone) for being selected in the Instrumental Music Program's Junior Concert Band. The girls were selected after an audition process late last year. This ensemble rehearses on Monday nights at the IMP Centre in Kaleen. The Junior Concert Band will perform at school, community and Directorate events throughout the year. Well done girls.

Our Twilight Fete is only 2½ weeks away! If you have not already volunteered to help on a stall on the day, please do so. I am looking forward to seeing many of you at the Fete – maybe as I have a go at the Chocolate Toss!

Warm wishes,

Felicity Levett

Green Space News

Kitchen Activities

We have been very lucky that most of our produce has survived the extreme temperatures over the Christmas break. Tomatoes, corn, zucchini, beetroot and a variety of herbs have all been used to make dips, tarts, salads and muffins so far.

If you would like any of the recipes, there is a copy on the display board outside the Green Space or on our school's Facebook page.

Garden Activities

Students were taken on a tour of our courtyard and outside vegetable gardens to 'spy' what has been growing in the garden over the break. To our delight some rockmelons have self-seeded and we should be picking them soon to share with classes.

If you have walked past our vegie beds recently you may have noticed quite a few pumpkins are also growing. Yummy soup?

Over the coming weeks we will be tending our autumn garden, sowing seeds and planting winter vegetables.

Sustainability

Our focus this term is 'Waste' with Kindergarten. They are learning how to use our bin system effectively. Years 1/2 and 5/6 have begun discussions around climate change. Year 1/2 is exploring weather and climate and focussing on what changes are occurring in our environment. Year 5/6 will be exploring factors that contribute to climate change and both groups will see that making small changes can make a big impact.

MOUNT ROGERS P&C CANTEEN

THE HEALTHY HUT

CLOSED ON MONDAYS

Ph 6142 2760

www.flexischools.com.au

It has been a rocky start to the year for our online ordering provider *Flexischools*. For four weeks in a row the system has crashed on Friday morning. I do understand your frustration because it is also very frustrating for us in the canteen.

Flexischools are working hard to rectify the issues and have said it is only the mobile app that is affected; you should still be able to log in via a PC without issue. Another solution is to place Friday orders earlier in the week. You can order in advance for any day, and orders already placed are not affected if the system crashes on Friday morning. I thank you for your patience and I really hope this Friday runs more smoothly.

We have had our yearly menu assessment and to comply with ACT Government guidelines we will be removing Roast Beef and Caesar Salad from our menu.

Just a reminder that we no longer serve whole eggs or egg as a sandwich option. Egg has been removed from the *Flexischools* menu but if you send an order in on a paper bag please keep this in mind.

Regards
Kate and Steph
