

## FROM THE EXECUTIVE TEAM

Dear Mount Rogers families,

Things are humming along here at school and the classrooms are full of fun and learning.

Over the last week and a half, I have had a fabulous time visiting classes and joining in on the learning happening in the moment. I have been in Year 3/4 during 'read to self' as students have been looking at ways the book they are reading connects to themselves and the world today. I have supported Year 5/6 as they have learnt to convert decimals to fractions. I have learnt how to say some words in Ngannawal language with some Kindys (*Yaama* – which means hello and *Yumalundi* – which means welcome). I have also enjoyed participating in Investigations in Year 1/2.

This week all our Kindy classes walked up Mount Rogers as part of the inquiry into maps. They had a great time exploring position language – under, through, over, up the mountain and down the mountain – as they went. When they reached the top, they had a snack and drew the view. On their return all classes spent time making maps of the walk, just in case anyone else would like to know the way to go. Miss Ducie's class let me know that it had been "the best day ever". I believe some Kindy mums and dads thought so too, as children slept very well that night after their long walk up and down the mountain.

It was great to see and hear the progress of our Year 5 band earlier this week. They sound great! All members of the band, including Mr Bartlett on the clarinet, have learnt the skill of sight reading and have been practicing how to do this. The Year 6 band is also working hard and sounding great. They have just about mastered playing one of my favourites, *Mamma Mia*. It is my plan and hope that we will be able to have a concert for parents of students in both bands next term.

Several of our Year 5/6 students have elected to take part in Melba Copland Secondary School's (MCSS) Regional Arts program this term. On Wednesdays a vocal group has begun rehearsing in the hall and on Fridays a dance group is learning a very upbeat routine. Both groups will perform, all being well, at the MCSS Arts Extravaganza evening in Term 4.

Fingers crossed, in my next newsletter there will be some photos of the library as it re-opens as the new transportable is completed. I will message to the community which Year 1/2 classes will be moving so that books can be borrowed once again next week.

Thank you for your continued support under COVID processes. Mount Rogers continues to work very carefully in this realm to support people in our community who are vulnerable.

The 2020 School Satisfaction survey is now live. You should have received an email with a link to the survey from **EDU Surveys & Evaluation** and an access code for each of your children. We would really appreciate you taking the time to complete the surveys as your feedback is extremely important to our school improvement journey.

If you haven't received an email, please contact [EDUSurveys@act.gov.au](mailto:EDUSurveys@act.gov.au) and they will forward the survey to you.

The survey should take 10-15 minutes to complete and you can access it from any mobile device until **Monday, 31 August 2020**. Your participation is voluntary, but we do hope you will help.

## CHRISTIAN EDUCATION IN SCHOOLS

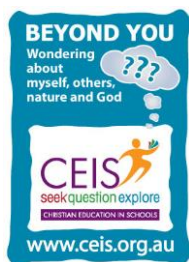

### Term 3 – Monday, 31 August

Christian Education in Schools (CEIS) occurs because parents request it for their children, under ACT legislation. Sessions are coordinated by the CEIS project, using approved resources and volunteers. Each school year the ACT Churches Council presents the values and beliefs of Christianity in 4 modern, interactive and engaging sessions.

### Only students with permission will attend.

Please see the office if you would like to add your child's name to the current attendance list.

For more information go to [www.ceis.org.au/yes](http://www.ceis.org.au/yes)

## POSITIVE BEHAVIOURS LEARNING (PBL) PROGRAM

Respectful, Inclusive,  
Safe and Engaged

*Has your child come home with one of these?*

As part of our PBL process, students are acknowledged when they demonstrate our RISE behaviours anywhere across the school.

Teachers log these positive behaviours and keep track of how the students are going. When a student has received a particular number of positive acknowledgements in Respect, Inclusive, Safe or Engaged Learner, they will be awarded a Bronze Certificate.

Certificates are handed out weekly or fortnightly at cohort celebrations. For example, Yr 3/4 students are awarded their certificates in front of the six Yr 3/4 classes on a Thursday morning. Students can work towards a bronze certificate, then a silver and finally a gold when they demonstrate our RISE behaviours.

## August is HATS ON!

It's still cold, but August is HATS ON again for Canberra Schools. All students are expected to wear a SunSmart hat during any outside activity.

## SCHOOL ADMINISTRATION SYSTEM (SAS)

### Onboarding message for our school community

On Monday 24 August, our school will progress into the third stage of implementation of the new School Administration System (SAS). So far, the program has helped to bring digital roll marking, parent/carer SMS communication and wellbeing processes across all ACT Public Schools. This is a major step for our school and the Directorate as we move away from the MAZE system as our source of student and financial information.

The Directorate's SAS team will be working very closely with us to ensure that the correct support processes are in place to ensure that the transition is a success.

As we transition into the new modules of the system over this period, information will be provided to the school community about new features that enhance or change current school processes. This update is particularly exciting for the administration of our school as previous releases have been focused on teacher use.

## COLLECTING YOUR CHILD EARLY?

Unless it is an emergency, please telephone office staff at least 30 mins prior to the pick-up time so your child can be collected from their classroom or meet you at the office at the required time.

An email or note to your child's teacher is also a great way to notify the school of an early pick-up.

This 30 mins provides office staff with adequate time to collect your child, especially when they are not in their classroom. It may also allow time for your child to finish class activities. During break times it also takes a little longer to locate children on the playground.

Parents are not permitted to collect children from the classroom – please wait at the office. This will also ensure that your child's attendance is accurately recorded.
