Learning Caring Sharing

NEWSLETTER NO. 10

9 JUNE 2021

TERM 2 WEEK 8

FROM THE EXECUTIVE TEAM

Dear Mount Rogers families,

Well, Winter is well and truly upon us! Beanies and warm jackets are being worn right across the school, by students and staff alike! I know all items would be clearly labelled so that they can find their way back to the owner if lost!

Thank you to everyone for your support as we made the decision to postpone the athletics carnival today – the weather forecast did not look good, and we decided it was best to try for another date. Therefore, weather permitting, the carnival will now be held next Thursday, 17 June.

Last week we celebrated Reconciliation Week. The theme this year was *More Than A Word*. At our whole school assembly on Friday our intentions for reconciliation as a school was shared.

Mount Rogers sits on Ngunnawal land and our aim for our reconciliation journey is to celebrate the diverse identities and cultural heritage of our students, families, staff and community members who have come to our school from different communities across Australia. Mount Rogers Primary school is committed to creating a future where Aboriginal and Torres Strait Islander histories and cultures are celebrated and respected.

We will do this by:

- Representing Aboriginal and Torres Strait Islander perspectives in every classroom.
- Instilling high expectations, aspirations and ambitions in all students.
- Learning from the strengths of Aboriginal and Torres Strait Islander cultures.
- Learning from the past for a better understanding.
- Giving students the tools and knowledge to identify with their culture(s) and other First Nations cultures.
- Working collaboratively with Aboriginal and Torres Strait Islander organisations within our local community.
- Participating in Aboriginal and Torres Strait Islander events.

During the assembly classes shared their learning after engaging with the text *Finding Your Heart*. As one student put it “Times are changing on Ngunnawal land, look to the future because it is bright.”

School reports will be emailed home to families next Friday, 18 June. If your email address has changed it is vital that you let the school office know this week. Parent Teacher Interviews will be held during Week 10, please look out for information regarding PTO bookings in the next few days.

We are planning to run an e-safety information session for parents early next term. The use of social media by our students continues to be a concern for us at times. The session will aim to provide you with up-to-date information of current Apps, their purposes, and pitfalls, as well as ways to talk about these topics with your children. A note regarding this evening session will be sent home at the start of next term, I encourage you to attend. In the meantime, you can always get advice and support from the e-safety commissioner website or from ThinkUKnow.

Finally, congratulations and good luck to our school Rostrum winner, Skye P. Skye will represent Mount Rogers at the Rostrum quarter finals early next term.

Stay warm and enjoy the long weekend,

Warm wishes,
Felicity Levett - Principal
